To make a greater impact – consider an additional donation to the 21st Century Steam Fund Steam Locomotives after all are Divas – High Maintenance and Expensive to Operate.

They are magnificent and beautiful. Light a fire in one and they come alive! They hiss and sigh; they develop a personality. But, the very act of lighting the fire consumes the locomotive. Let's face it - they are very high maintenance machines that demand expensive attention.

Why make a donation over and above your membership? Your membership supports the entire museum. But 100% of your donation to the 21st Century Steam Fund **directly supports the steamers.** So they can steam for the rest of the century.

Please consider committing to a monthly donation of \$20, \$30, \$50 or more. It will be charged monthly to your credit card. This will allow you to make a large donation to support the steam locomotives in small increments.

YES, I want to make a contribution to the 21st Century Steam Fund to keep the steamers Steaming. My additional donation is:

\$25 \$50 \$100 \$250

\$500 \$1000 Other \$ _____

or Monthly \$ _____ per month for twelve months.
